APPLICATION FOR STUDENT ASSISTANCE

What is Student Assistance?

Student Assistance funding is available from the school for the purpose of extending financial assistance to families experiencing legitimate financial hardship, for school related expenses.

Who can apply for Student Assistance?

Any parent or carer who is responsible for their child's school costs and who require financial assistance may apply.

Expenses you can apply for:

Student Assistance can be used for the payment of elective fees, school uniform items and student equipment. Assistance for Term Sport is not available as non-paying sports are available.

How to apply:

Complete the application on the back of this letter. All questions must be completed. A separate application should be lodged for each child you require assistance for.

How funds are allocated:

Each application is reviewed by the school Principal and funds are allocated according to the individual needs of the applicant. However, funds are limited and each application will be considered on merit. The school will endeavour to assist as much as possible, whether from the Student Assistance Scheme or by allowing applicants to pay off the balances owing of items on a weekly/fortnightly basis, with prior approval to be given by the Principal and a Payment Plan form completed.

How to lodge an application:

You may return the completed application form to the school's Administration Office. Please ensure all areas of the form are completed prior to submitting.
