

Nepean High School Song

Blaxland, Wentworth, Lawson
Conquered mountain ridges
Lennox built the bridges
Follow them.

Where with mighty traces
Roamed the Maryong
Resounds today with graces
The bold Nepean High School song.

Aspiring the Heights forever
And never say die
Alone and all together
Aspiring the Heights .

As the Warragamba grows in store
Life's giving waters galore
Educations needed more and more
Talents to the fore.
