

PDHPE Uniform Requirements

The PDHPE faculty would like to encourage all students to be actively involved in all practical lessons and look forward to a successful sporting year. It is important to remind our school community of the expectations of uniform for all practical lessons.

- The school sports shirt and sports shorts (sports jacket and tracksuit pants in winter) MUST be worn in PDHPE practical lessons and at Wednesday sport.
- A hat is desirable.
- Joggers are to be worn and this does not include street style footwear e.g. Vans.

There are clear consequences if students are not following these uniform expectations. If you are unable to participate in practical lessons due to injury/illness or unavailable uniform, please bring a note for your teacher.

- 1. First Offence for not wearing Sports uniform**
Student will be given a warning from their teacher.
- 2. Second Offence for not wearing Sports uniform**
Student will be asked to pick up papers and/or assist their teacher with the set up and pack up of the practical lessons.
- 3. Third Offence for not wearing Sports uniform**
Parent/carer will be contacted to discuss their child's non-participation and concern in not meeting the required outcomes of the PDHPE course.

Should you have any concerns or enquiries please feel free to contact your student's class teacher or the Head Teacher PDHPE.
