YEAR 11 DRAMA 2021 PRESENTS

AFTER DINNER

BY ANDREW BOVELL

Paula's all frocked up, its Monika's first night out in years and Dympie just wants a table with a good view of the band.

Semi-eligible blokes Gordon and Stephen are shaking off the office and revealing their own peccadillos while they're at it.

Between the Chardonnay and the oysters, things are bound to loosen up!

Edition 2 - March 2021

Year 11 Drama—After Dinner

This year, we head back to the 80's, where mullets and high waisted jeans were...not only just worn by our students.

Paula's all frocked up, it's Monika's first night out in years and Dympie just wants a table with a good view of the band.

Semi-eligible blokes Gordon and Stephen are shaking off the office and revealing their own peccadillos while they're at it.

Between the Chardonnay and the oysters, things are bound to loosen up!

After Dinner by Andrew Bovell
will be shown to a limited audience on
Tuesday 30 March starting at 7pm sharp.

80's attire is encouraged on the evening

Staring:

Kirsten F, Lucy B, Cooper D, Alyssa B and Lea S.

This production will also feature music by Estella B, Sienna C, Henry S, Matilda S, Samantha M and VET Music Industry.

Tickets can be purchased at:

<http://www.trybooking.com/bpolu>

Hope Butterfly Colony Project

Inspired by the Pearl White Butterfly colony found within the Sydney Royal Botanical Gardens, the HOPE Butterfly Installation is an inclusive community awareness campaign designed to engage and inspire artists of all ages to create personal HOPE butterflies for the colony.

The colony's next destination will be the University of Western Sydney to celebrate World Environment Day on 5 June 2021 and our students are busy producing Hope Butterflies.

Stage 6 Photography, Video and Digital Imaging students are project managing our school's production, with a target submission in the hundreds. The enthusiasm, maturity and passion these students have displayed for this project has been outstanding. The colourful advancement and individual production of our colony is in good hands.

HOPE BUTTERFLY Installation

Sport Report

Swimming Carnival

School House Champions: York 292 points, Perry 223 points, Forbes 166 points and Bowman 124 points.

Age Champions

Age	12	13	14	15	16	17+
Girls	Sarah M	Holly J	Ava W	Daisy W	Alexandra F	Monique T
Boys	William P	Ashton F	Aled S	Reilly M		Ashley B

Zone

This year saw Nepean CAPA High School take one of its largest teams to the Zone Championships and as a result we finished the carnival 2nd Place overall. Our Girls won their section and our boys placed 5th in theirs. Our 6 x 50m Girls age group relay won their event and so did our 13 and 15 years. Our Girls 4 x 50 relay teams will contest the Sydney West Championships at Sydney Olympic Park on Tuesday 20 April 2021.

Grade Sport Results

Sport	Boys					Girls					
School	Touch A	Touch B	Volleyball	Euro Handball	Ultimate	Oz-tag A	Oz-tag B	Volleyball	Basketball A	Basketball B	Euro Handball
Blaxland	L	W	L	L	L	L	W				
Katoomba	Wet Weather Round										
Winmalee	W	W	W	L		W	W	L	L	D	L
Springwood	W	W	L	L	W			W	w	w	W
Penrith	W	W	L	L	L			L	W		L

Representative Sport

Soccer – the following students made the Zone team: Sean L (Boys) and Lucy G and Alyssa H (Girls). Basketball – the following students made the Zone (Girls) team: Jordyn and Charli W. Volleyball – the following students made the Zone team: Ryan S (Boys) Jade P, Kara J and Coco N (Girls).

Knockout Sports

Soccer RD1 v Springwood

We had been drawn against Springwood High, a school with a history of strong teams and this year was no different. Our team was a mix of Year 7, 8 and 9 students we went down 6 – 1.

Basketball Rd1 v Penrith

With very little preparation we took on Penrith High. A friendly and supportive game was played with the result being 18 – 9 in our favour.

Basketball Rd2 v Katoomba

A valiant effort by the girls, unfortunately we went down 22-16.

Basketball Rd1 v Winmalee

The result of the boys game was Winmalee 44—Nepean 18.

Our Cross Country Carnival will be running Week 1 of Term 2 on Friday 23 April 2021.

Mr M Ryan & Ms T Gambell
Sports Coordinators

Sport Selection

We are excited to see our students being able to actively engage and compete in the sporting arena for 2021. It is important to outline how our weekly sport operates with respect to the choices students need to make at the end of each term, for the following term. We have close to 600 students each week that participate in grade, recreational, school based or CAPA activities. The sport selection process at Nepean is online through our EDVAL timetable system. Each term students will be required to go online and select their preferences for the term. As we are a grade sport school, our priority is to support the zone and fill our grade teams to compete against schools in our zone each Wednesday. We strongly encourage our students to attend these trials each term.

Term	Grade Sport		
	Girls	Boys	Mixed
2	Netball, Soccer & Touch Football	Basketball, AFL, Soccer & Oz Tag	
3	Netball, AFL & Soccer	Basketball, Touch Football & Soccer	Volleyball and Ultimate Frisbee/Vortex
4	Basketball & Futsal	Cricket & Futsal	Netball, Volleyball & Touch Football

On the final Wednesday of the term, after trials, we will send the required individual student code to student's school email address with the link to the site in which selections are made. It is essential these selections are made by the given date to enable us to complete the administration process. If students are unable to access this form at home, they are able to utilise the devices at school. The form needs to be printed and signed by parents/carers – as this in many sports is the permission required. Should additional permissions be necessary, these will be sent home.

As you can appreciate, some recreational sports on offer have limits on the number of students that can be involved. It is therefore reinforced that for sports that have limited numbers, selections are made promptly and notes returned.

Thank you for the ongoing support of sport at Nepean CAPA High School, we look forward to a year of positive sporting achievements, fun and physical activity.

Mrs M Debritt

Head Teacher, PDHPE Sport

Year 8 Corner

Year 8 has been working hard throughout 2021 to create their 'brand'.

During the first Year Meeting we spoke about the importance of our brand, much like Adidas or Hurley, a conversation can be had once the name is mentioned. We had Year 8 reflect on what is THEIR brand? What do people think when they hear the names of students in this cohort. The terminology "What's your brand" will become a common theme and we will measure their brand from the continued positive comments from staff and students which we have already had so many! A main focus from the Year Advisers is to recognise students for their success, and this Link is no different, so we would like you to meet a quiet achiever, our Student in Focus, Liana M.

Student in Focus: Liana M

Liana comes to Nepean CAPA High School from Emu Plains Public School, and is a recipient of the prestigious Honess All Rounder Award which recognises success across sporting, academic and leadership/citizenship pursuits. A talented athlete, focusing mostly on middle to long distances (1500m-3km), she continues to engage in athletics outside of school, a passion since 6 years of age.

Liana showed promise in Netball and Swimming, but decided to cut back on some sporting endeavours to focus on her academics to achieve her future career prospects as an architect or interior designer.

A natural leader, Liana identifies her ability of "Listening to others" as her major asset as a leader. Keep up the great work Liana and we hope others can emulate your passion and focus.

Mr G Turner
Year 8 Adviser

From the Studio

Talent or training? Artists are both born and taught. Students enrolled in our Intensive Studio classes acknowledge that morning studio lessons assist in advancing skillsets, ideas and artistic production. They are also a wonderful opportunity to meet regularly with other aspiring artists and specialist tutors.

This term the five main skills of drawing have been examined. The ability to recognize edges, lines, and angles; to estimate proportion and perspective; deciphering shadow, highlights, and gradations of tone; and lastly, the ability to merge them all together in practice has been realised.

If you would like to participate in next terms Painting and Drawing Studio on either Tuesday or Wednesday morning please see Mrs Rowston.

Mrs P Rowston
Head Teacher, Creative Arts

Artwork by Zoe A

Artwork by Rebekah A

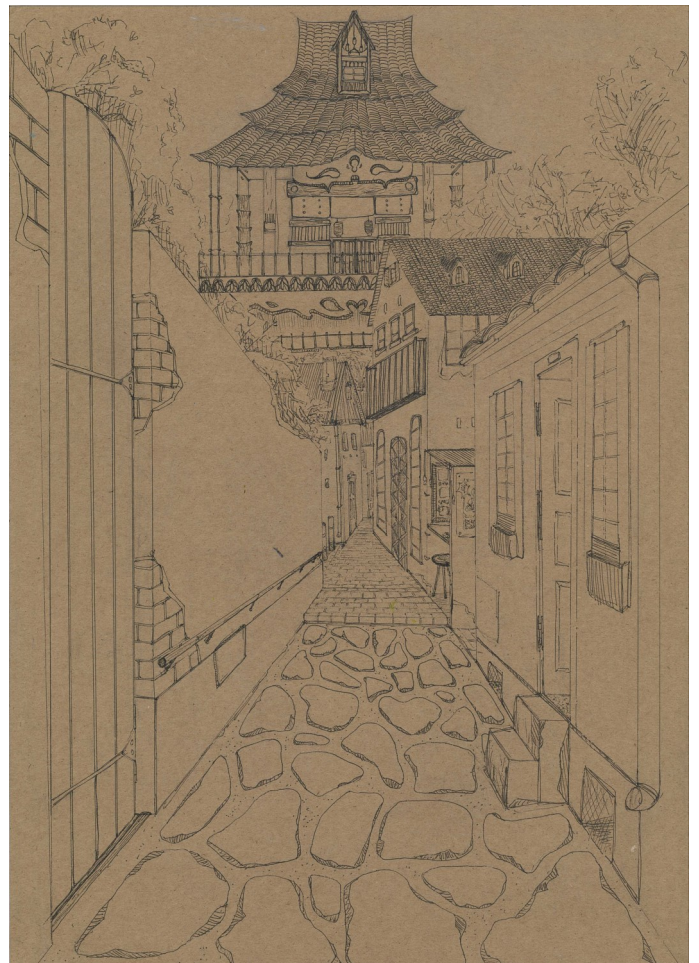

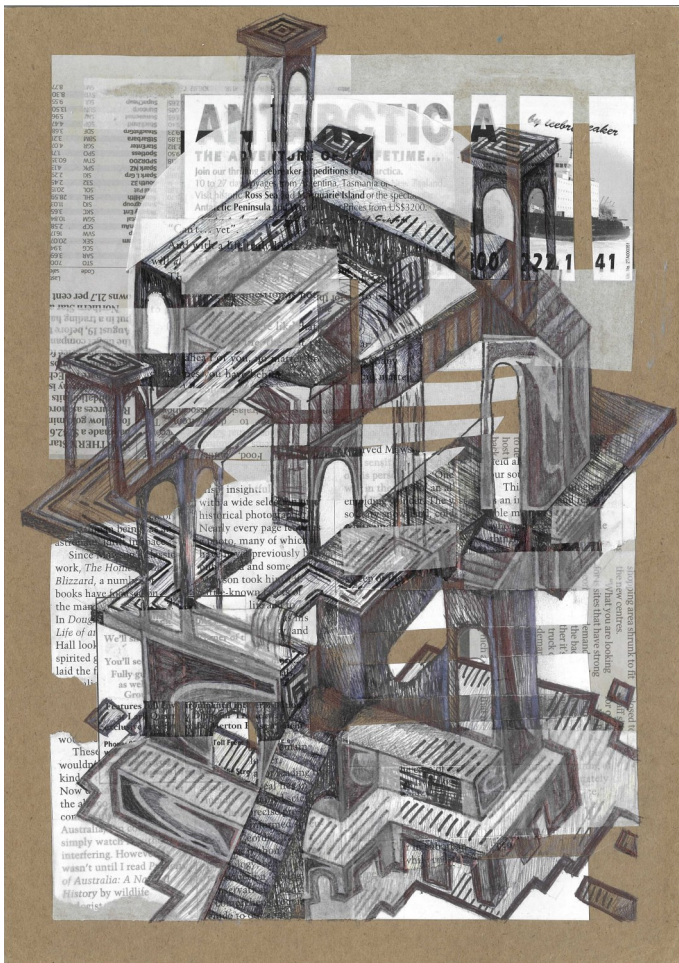

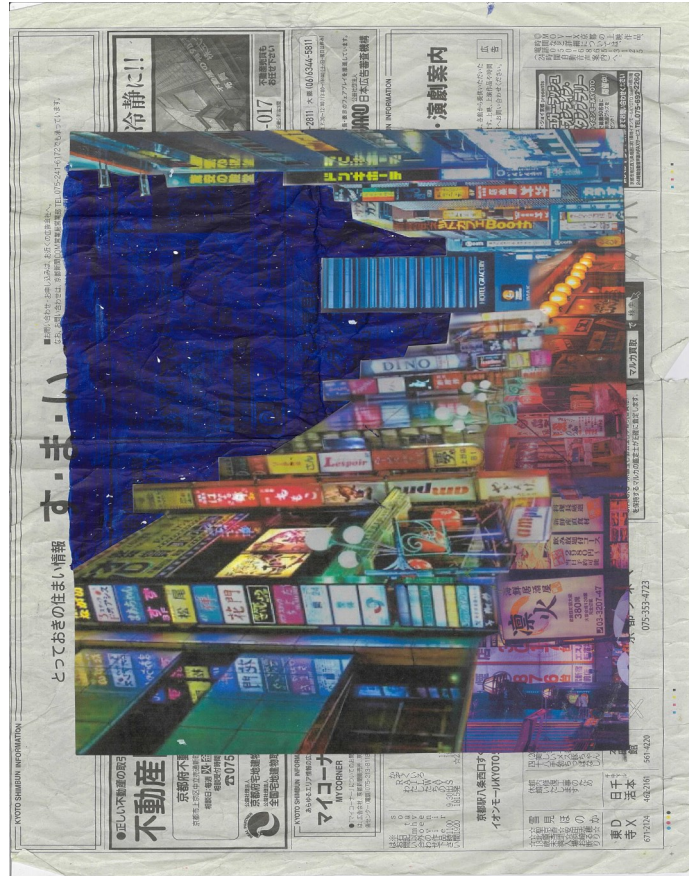

This Semester, the students are investigating practice in artmaking, critical and historical students, the structural and cultural frames, and artist - artwork - world - audience relationships in the conceptual framework.

The work that the students will produce focuses on an investigation of the city as a metaphor for utopia and decline. Students will make artworks, over time, across a number of forms such as drawing, photography and printmaking to develop meanings and communicate ideas and interest about the city and representation of a point of view about the city.

The works that they started are already outstanding.

Ms B Douglass
Creative Arts Teacher

Creative Artworks - City As Utopia

Creative Artworks—Boats

The Joy of Making

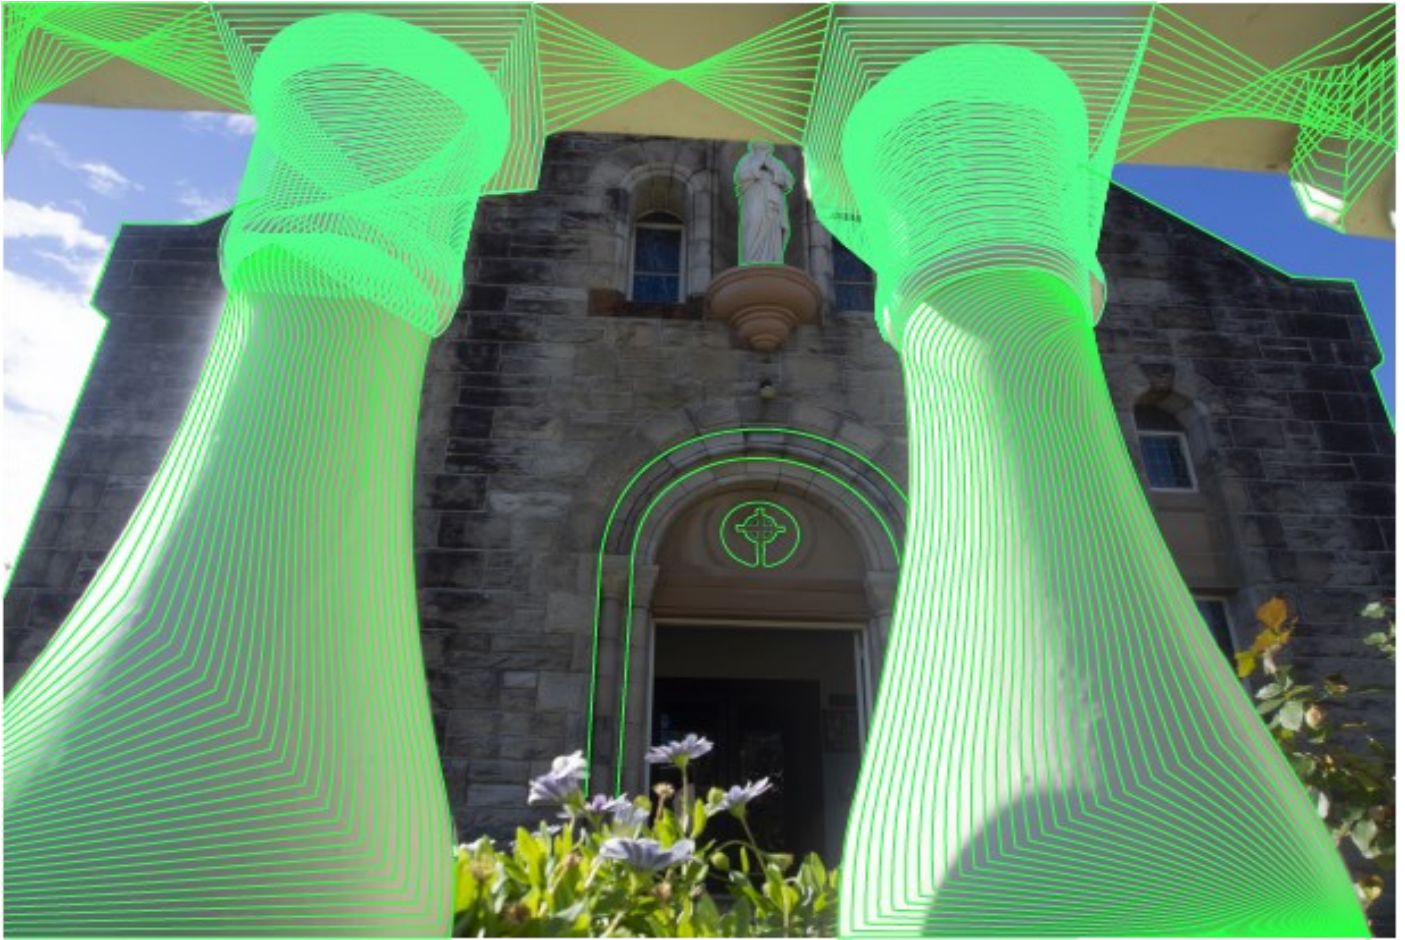

Mould making, slip and plaster casting, editions, manufacture and production has been enthusiastically embraced by Year 7 Audition Visual Arts this Term. Experiencing the joy of producing a slip cast and releasing the sculptural shape from its mould, refining the cast edges and decorating with underglazes, glaze and firing technologies has become their world in the studio. The delight of producing plaster casts of their hands, set in a variety of poses, has also been explored. Some students have discovered that sculpture is their expressive form, while others anxiously await next term when they will be using the pottery wheel.

Mrs P Rowston
Head Teacher,
Creative Arts

Lexie Launch

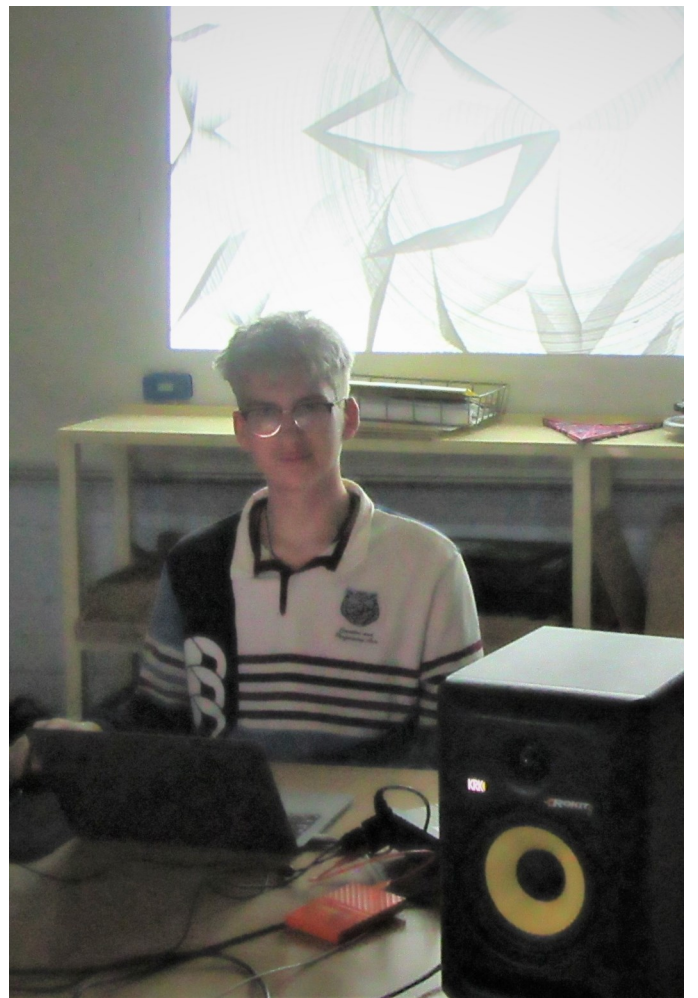

An open house or night, is an event held at an institution where its doors are open to the general public to allow people to look around the institution and learn more about it. At our High School on Tuesday 16 March 2021, our Open Night provided Nicholas H, aka Lexie, with the opportunity to launch his innovative and progressive digital media practice with a live audience.

Nicholas is pioneering digital multimodal approaches in his creative practice, that he generously shared with participants on Open Night. The audience was inspired by his ground-breaking installation that encompassed digital music, visual, still and moving images and a Q&A session. His mastery of Adobe platforms and music software is evident in his creative production.

Nicholas' success in launching his brand, Lexie, at this event was evocative, memorable and inspirational. He aspired the heights and achieved this attainment.

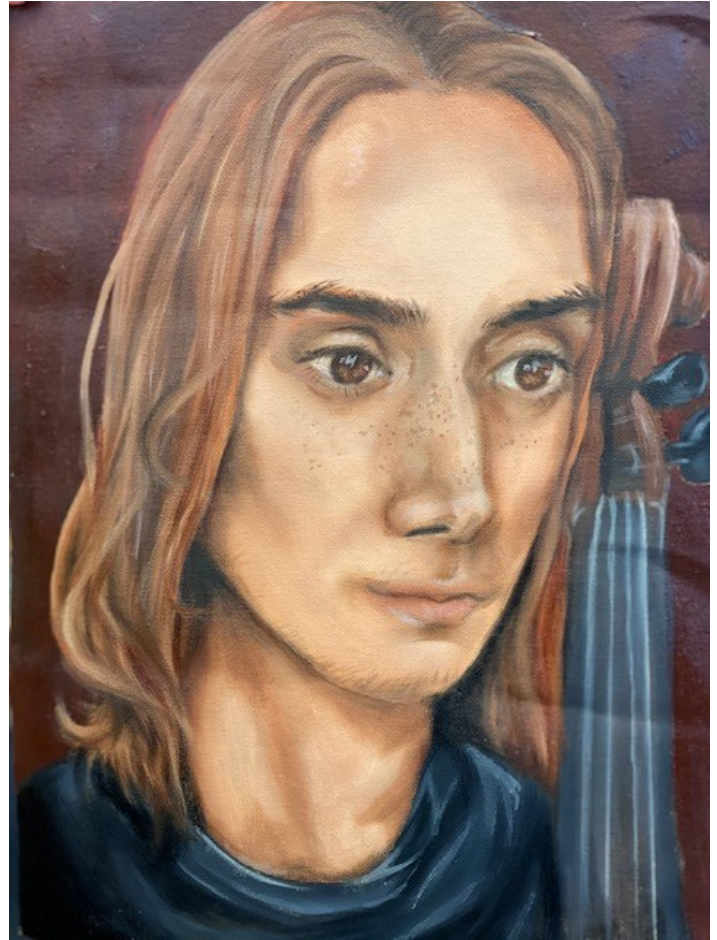

Mrs P Rowston
Head Teacher, Creative Arts

The Young Archie 2021

Artwork by Hannah B

Artwork by Rey D

This year we have submitted 3 artworks into the Young Archie Competition at the NSW Art Gallery. The Young Archie Competition invites budding artists between the ages of 5 and 18 to submit a portrait. There are four age categories: 5-8 year olds, 9-12 year olds, 13-15 year olds and 16-18 year olds.

Beginning in 2013, this annual competition is judged by the Gallery's family programs manager and a guest judge, based on merit and originality. As well as online, all finalists are displayed at the Art Gallery of NSW held in conjunction with the Archibald, Wynne and Sulman Prizes exhibition. Artworks receiving an honourable mention are also displayed online and, since 2014, at Sydney's SH Ervin Gallery.

The theme is a portrait of a person who is special to the entrant, who is known to the entrant and who plays a significant role in their life. Entries to the 2021 competition will be judged by a guest judge (artist Ramesh Mario Nithiyendran) and Victoria Collings, Art Gallery of NSW family programs manager, according to the following criteria: the relevance of the submitted artwork to the theme, as decided by the judges; artistic interpretation of the

theme, as decided by the judges; originality of the submission. We are hoping that these students will be some of the finalists in this competition.

Ms B Douglass
Creative Arts Teacher

Artwork by Xiaqita P

NSW Reconciliation Challenge

NSW Reconciliation Challenge – Travelling Exhibition of Works from 2019. On Friday, two of our students attended the opening of the 2019 NSW School Reconciliation Challenge Exhibition. The school has three works that were selected to tour around NSW in 2020, but was delayed to this year thanks to COVID.

These works can be seen at the Everglades House and Gardens in Leura. It was also announced that these works (the reproductions created by International Towers for the Barangaroo exhibition) are currently hanging in NSW Parliament House on their Reconciliation Wall, as well as being able to see them physically, they have also created a virtually. The exhibition opened on Monday March 1 and will remain until April 1.

This link below features all works from this exhibition.

What's On

Please visit our updated website to view the new school calendar which is updated daily.

<https://nepean-h.schools.nsw.gov.au>

Meeting

The Nepean Creative and Performing Arts High School P&C would like to invite all parents and carers to our P&C Meetings. The next Meeting is:

**Wednesday 28 April 2021
7.00pm in the Staff Common Room**

Come along and:

- Listen to our guest speakers.
- Help make decisions on P&C Leadership.
- Hear the latest school news.
- Support the school and contribute your views.
- Ask questions.

*Everyone is welcome
A light supper is provided*

UNIFORM DONATIONS

- Should families have any items of school uniform which are no longer of any use to their children, could this clothing please be taken to the front office.
- There are a number of families who would appreciate the opportunity to access this clothing.

From Mr Knowles

Matthew Knowles
Deputy Principal

The recent bad weather has had a significant impact upon our school community. Our students travel from all over greater Western Sydney, the Blue Mountains and the Hawksbury and it is at times like this that we fully appreciate the sacrifices that parents, carers and young people make to attend our school. Our thoughts are with all of our families who are experiencing hardship and dislocation as a consequence of the flooding. We hope that this difficult time ends quickly and stand ready to support our young people and their families as the recovery begins.

It has been heartening to hear of students who, even as the flood waters have risen around their homes and their community, have made contact with their teachers to discuss assessment tasks, deliver draft work and join online classes. It is a privilege to work with such young people who fulfil their responsibilities with great resilience and determination.

We held our Open Night on the evening of Tuesday 16 March. Even with the onset of poor weather and the COVID requirement the evening was well attended with over 350 people coming along to explore our school and examine what we have to offer. I'd like to thank the staff of our school who, with great professionalism and enthusiasm, rose to the challenge and provided a range of engaging experiences for our visitors. We are proud of our school and what it has to offer and greatly appreciate the opportunity to share this with prospective students and their families.

One of the great costs of the COVID restrictions in 2020 was the curtailing of many of our performing arts activities. It was with great joy, and a tear in my eye, that I was lucky to be in the audience for circus, music and dance performance late last year. I had forgotten how special this place is and how wonderfully talented are our students and their teachers. To see our students singing, dancing and delighting an audience with their circus skills was like the touch of welcome sunlight on the cheek after a long, dark and cold night. So, it is with great joy that I see that our students are back to performing with our annual year 11 play being staged on Tuesday 30 March and our Music 2 students performing the following evening on Wednesday 31 March.

We all look forward to a return to performance as the year progresses.

Mr M Knowles
Deputy Principal

From the Principal's Desk

Tania Irons
Principal

Our thoughts are with all students, families and staff who were affected by the recent floods in our community. Parents are encouraged to contact the school if there is anything we can do to support you.

The Strategic Improvement Plan for the next 4 years has now been finalised, and I wish to thank the P&C for their contribution to our consultation around our new vision statement. Staff and students have also helped to shape and refine our new vision statement. Please Our School Vision Statement on page 26. The Strategic Improvement Plan 2021-2024 will be published on the school website in the coming days.

I would like to acknowledge Mr Matthew Knowles, who has been recognised this week at the NSW Nanga Mai Awards for his outstanding contribution to educational achievement for Aboriginal and Torres Strait Islander students by a non-Aboriginal staff member in NSW Public Education. Congratulations Mr Knowles for all that you do in our community to acknowledge and pay respects to our First Nations people. Congratulations also to Monique T-O, our School Captain, who co-hosted the Nanga Mai Awards Ceremony this year.

I have been most impressed with our student leaders this term, both our School Captains team and our SRC. These students have worked tirelessly to make a very visible contribution to the life of our school. Their efforts in constantly modelling our core values, as well as the charitable work they have undertaken, is a clear demonstration of why Nepean is such a fabulous school. As we go to print, our students have raised over \$9000 for Kids with Cancer in a week where our school captains have also launched the 'Bridging the Gap' initiative to unite student leadership voice across our local community around issues that matter to our youth.

With a term's worth of learning almost behind us, I have asked our students to reflect upon their learning this term and challenged students to consider whether they have gained a term's worth of learning growth from a term's worth of engagement in their learning. In communicating with parents about student learning growth we will publish Year 12 half yearly reports this week, as well as trialling an interim update for students in Years 7, 8 and 11. The interim report will be similar in format to the reports issued in Semester 1

of last year, and will be published electronically via the Sentral parent portal.

Congratulations to Mr Cox, who will take up an appointment as the new Head Teacher, Teaching and Learning at Colo High School. We are very thankful for Mr Cox's contribution to student learning at Nepean over the last 5 years and wish him well on the next stage of his career in educational leadership.

From next term we have had to make some adjustments to our timetable for the remainder of the year. On Thursday students will be issued with a new timetable to commence at the beginning of the new term. We will start next term on Tuesday 20 April, starting on a week A of the new timetable. It will also go live on Sentral at the end of the week. Further communication will also be sent directly to students most affected by the changes, but the most significant whole school change is that from next term our year 8 students will commence roll call at 8:45am on Mondays, Tuesdays, Thursdays and Fridays in line with our students in Years 9-11. Year 7 and the SRC will continue to engage in the extended roll call program which starts at 8:35am on each of those days. Wednesdays will continue to commence at 8:35am for all students.

On some matters of concern, prohibited items including vapes and aerosol deodorant cans have become quite problematic within our school community. I ask for parent support around ensuring that students DO NOT bring these items to school at any time. Furthermore, I remind all parents that vehicle entry to the staff carpark is restricted to staff and specialised transport only. The carpark space has become increasingly dangerous to pedestrians this term with an increasing number of parents driving their students into the carpark to drop them off. This is a serious Health and Safety issue, and I request your support in ensuring our student transit area between our buildings on either side of the carpark is prioritised.

Finally, students are reminded that mobile phones are to be off and out of site during learning time. I ask parents to refrain from contacting your children during learning time on their mobile phones. Please direct any urgent messages through the front office.

Wishing everyone a restful 2 school holidays, and thank you for your ongoing support of our school.

Mrs T Irons
Principal

Our School Vision

At Nepean Creative and Performing Arts High School we aspire, in all things, to demonstrate care for ourselves, others and our community so that all feel heard, seen, valued and accepted.

We aspire to grow in understanding, individual expertise and creativity, striving with courage and cooperation, to flourish now and into the future.

We recognise and celebrate optimism, engagement, achievement and the pursuit of personal excellence.

In all things we aspire the heights through care, opportunity and success.

\$ Make a Payment online
