Experience UNSW Science Day

29 May

Have you ever wanted to experience what it would be like as a student conducting research and experiments in a lab at University? Let us take you on a journey through some of the branches of Science that you can study at UNSW.

You'll have the opportunity to ask questions and speak to our academic staff and current students.

Then, get a hands-on taste of what you can expect as a first-year Science student in our labs! This event is designed for high school students in year 9 and 10 who are keen to explore types of Sciences broader than what they may be exposed to currently.

<https://www.events.unsw.edu.au/event/experience-unsw-science-day>

Actuarial Studies Co-op Program Macquarie University

Closes 27 September

Our Bachelor of Actuarial Studies with Professional Practice (Honours) offers students the opportunity to participate in Macquarie's cooperative education program (Co-op). This highly competitive course will see students alternate between classroom studies and workplace experience in the form of three work placements of three to six months each throughout their course.

<https://www.mq.edu.au/connect/employers/support-high-achievers/overview/actuarial-co-op-program-selection-process>

Co-op Program Macquarie University Bachelor of Professional Accounting and Bachelor of Professional Practice

Closes 27 September

Our Bachelor of Professional Accounting and Bachelor of Professional Practice offers students the opportunity to participate in Macquarie's cooperative education program (Co-op). This highly competitive course will see students alternate between classroom studies and workplace experience in the form of three work placements of three to six months each throughout their course.

<https://www.mq.edu.au/connect/employers/support-high-achievers/accounting-co-op-program>

Bond Actuarial Experience Day

22 May

14 University Drive, Bond Business School, Robina

As a result, we are inviting interested students to attend the Actuarial Science and Commerce Experience Day on Wednesday, 22 May, 2019.

Open your mind to a range of disciplines, including digital business, management and marketing, gain insights into the growing global tourism industry and discover how your start-up idea could be the next big thing with the Transformer, Entrepreneurship and Big Data facilities.

<https://bond.edu.au/event/46362/business-and-commerce-experience-day>

UCAT Medical Interview Preparation Workshops

24 August – UNSW Kensington

6 October - UNSW Kensington

12 October - Canberra. Red Hill

The unique NIE workshop program aims for students to gain an in-depth understanding and required knowledge of the medical interview processes for specific universities, including Multi-station Mini Interview (MMI), Structured, and Semi-structured panel interviews. The workshop is structured and based on the models that are taught during our proven one-on-one personalised medical interview sessions. The workshop will allow each and every attendee to learn the required skills and practical understanding for the uni from which they received an interview offer.

<https://www.nie.edu.au/medical/umat-interviews/medical-interviews-workshop>

UOW Campus Tours - Wollongong or Liverpool

This free, hour-long tour of the campus allows you to see our facilities and meet people doing what they do best. It's your chance to check out UOW and ask as many questions as you like. Tours run every Friday morning and afternoon (excluding public holidays) throughout the year. Please select your preferred time and date and register your details.

Wollongong Campus: <https://studentcrm.uow.edu.au/Ellucian.ERecruiting.Web.External/Pages/EventLists.aspx?ID=1>

Liverpool: <https://studentcrm.uow.edu.au/Ellucian.ERecruiting.Web.External/Pages/EventLists.aspx?ID=2>

UOW Shoalhaven Campus UOW College Information Evening

Tuesday 28 May. 5:30pm – 7:00pm

UOW Shoalhaven, George Evans Road, Mundamia, Ray Cleary Building, Room UG.03 (Lecture Theatre)

Find out how completing a 14 week University Access Program can guarantee* you entry to a degree at UOW Shoalhaven Campus.

To RSVP: Visit uow.college/events or Call 1300 367 869

Why study the Pathways Enabling Course at UNE?

The Pathways Enabling Course is a program of study for students without the educational background for admission to an undergraduate course at UNE. It is available for students who have not successfully completed any part of a university course, and who believe that completion of this enabling course will make them better qualified to successfully undertake an undergraduate course with an ATAR requirement of 77.10 or lower. Completion of the Pathways Enabling Course provides the basis for admission to most undergraduate courses at UNE.

<https://my.une.edu.au/courses/courses/ENABLE>

Osteopathy at Southern Cross University

Southern Cross University offers the only pathway in NSW and QLD to become an accredited Osteopath. Osteopaths are Allied Health professionals specialising in the treatment of the musculoskeletal system. Students complete a Bachelor of Clinical Sciences (Osteopathic Studies) and Master of Osteopathic Medicine in 4 years of full-time study at our Lismore or Gold Coast campuses. See

<https://www.scu.edu.au/>

MedView UCAT Winter Crash Course

The number of medical school places has doubled in Australia and New Zealand over the past 15 years, but as supply has increased, so has demand. As more students become aware of the exciting career prospects of a medical practitioner, medical school competitiveness becomes stronger and stronger.

To obtain the ever-elusive medical school place, students must be well-informed of their personal, philosophical and professional reasons for pursuing medicine.

Get into Med: first steps to becoming a doctor will deep-dive into the world of medical school admissions. Presented by current medical students, the 2 hour program entails: Book here:

<https://www.facebook.com/pg/MedView/events/>

TAFE

Be a Skill Seeker! Take a Short Course at TAFE NSW

Main 5 Questions to Expect in Your Next Job Interview

Job interviews are one of the more nerve-wracking experiences going around, particularly for university graduates. Polishing your resume, drafting cover letters and building a portfolio can be taxing, and that's before you even get to the interview stage. To give you a heads up, we've compiled a list of questions that tend to be asked in almost every interview, and provided some tips on how best to respond.

<https://australiancareersservice.com.au/industry-news/five-questions-expect-next-job-interview>

Breaking bad study habits and replacing them with good habits.

It's a new year. A clean slate. The perfect time to break some bad study habits and replace them with more effective study habits. I've listed 16 bad study habits many students develop, followed by more effective habits to replace each one.

<http://learningfundamentals.com.au/blog/breaking-bad-study-habits-16-effective-habits-for-success/>

70 Tips for Staying Focused

Find yourself struggling with a concept? No worries! You can escape to the awesomeness of the Internet.

You can check Facebook. You can start a new Netflix series. You can get instant relief from the pain and discomfort of studying complex material. But every time you do this, you pay a high price.

Why? Because distraction is the enemy when it comes to learning information.

<http://learningfundamentals.com.au/blog/70-simple-ways-to-help-you-minimise-distractions-and-stay-focused/>

FOR CAREERS ADVISERS

Transport & Logistics – A Career Worth Considering

Logistics isn't one of those industries that get lots of media attention. Nonetheless, it employs an estimated 1.2 million Australian workers and has an estimated annual revenue of \$102.87 billion. In a large, sparsely populated nation there's always going to be a demand for people who can get goods from Point A to Point B. Want a stable career with a level of certainty? Think logistics.

<https://www.atbnsw.com.au>
