UNI

CSU Explore Day – Map Out Your Future 2019

Albury-Wodonga 26 June 2019

Bathurst 12 April 2019

Dubbo 12 April 2019

Orange 9 April 2019

Port Macquarie 9 April 2019

Wagga Wagga 15–16 April (Vet Science) and 25 June 2019

If you're in Year 10, 11 or 12, Explore Day is the perfect opportunity for you to choose your own adventure and select from lots of dynamic workshops in a broad range of study areas.

Have fun with hands-on activities and chat to lecturers and students about what uni is *really* like. Discover more about the courses you're interested in and all the services and support Charles Sturt University (CSU) has for you. Parents and carers are welcome too – be sure to check out our dedicated parents program.

ANU Tuckwell Scholarship - Be on the Mailing List

One of the most prestigious scholarships in Australia. The program has a focus on giving back to Australia and is the only one of its kind that nurtures Scholars to fulfil their broader community ambitions over and above the pursuit of an undergraduate degree.

<https://tuckwell.anu.edu.au/applying/tuckwell-scholarship-mailing-list>

Sydney UTAS – Medical Programs

Darlinghurst - The University of Tasmania's Darlinghurst campus offers Nursing within the School of Health Sciences offers the two year fast track Bachelor of Nursing course through the Darlinghurst campus in partnership with the St Vincent's and Mater Health Services.

Rozelle - UTAS offers Bachelor of Paramedic Practice and this course is supported by the Ambulance Service of New South Wales. The School of Medicine at the Rozelle campus aims to provide the community with sound, comprehensive out-of-hospital care through the development of paramedic students conversant in the field of paramedic practice.

The University's School of Health Sciences offers the fast track two year Bachelor of Nursing course through the Rozelle campus in partnership with the Sydney Local Health District, South Western Sydney Local Health District, South Eastern Sydney Local Health District and Illawarra Shoalhaven Local Health District.

You can reach us at Liliana.Arango@utas.edu.au

Experience a week as a Marine Biologists - UTAS Marine Discovery Scholarship

Applications close Sunday 24 February.

Course runs from 23 April until 28 April

This predominately field-based unit consists of 5 days on picturesque Maria Island on the Tasmanian East Coast. The unit is open to 24 students and is designed to engage, challenge, excite and inspire you through a hands-on marine science program. It will encourage you to explore issues threatening biodiversity as well as the productivity of the marine system. Climate change, invasive species, pollution, debris and their associated social and economic impacts will be covered. Apply here:

<https://secure.utas.edu.au/imas/study/undergraduate/marinediscoverycompetition>

University of Newcastle Science & Engineering Challenge

The Science and Engineering Challenge is a nationwide STEM outreach program presented by the University of Newcastle in partnership with communities, Rotary clubs, universities and sponsors. Through the Challenge, students experience aspects of Science and Engineering which they would not usually see in their school environment. The Challenge runs a range of programs but focuses on inspiring students in year 10 to consider a future career in science and engineering by choosing to study the enabling sciences and mathematics in years 11 and 12. See below for your nearest venue for an event.

There is a location nearest to you here:

<https://www.newcastle.edu.au/about-uon/governance-and-leadership/faculties-and-schools/faculty-of-engineering-and-built-environment/science-and-engineering-challenge/events>

Science Forum – University of Sydney

3 April, 5:45pm–7pm

Charles Perkins Centre Auditorium, D17

Join our panel of scientists who will share insights on ageing well, covering nutritional, psychological and physical activity research and perspectives.

<https://sydney.edu.au/science/news-and-events/events/sydney-science-forum/how-to-age-well.html>

University of Sydney - International Science School Closes Soon-Application Form Here

Applications close 3 March

7 to 20 July

Every two years the ISS gathers 140 top science students from Australia and overseas for a two-week residential program of talks by world-renowned scientists, laboratory tours, hands-on activities and social events. Are you going to be in Year 11 and 12 in 2019? Do you love science? If so, you've got to apply for the Professor Harry Messel International Science School (ISS)!

<https://sydney.edu.au/content/dam/corporate/documents/faculty-of-science/industry-and-community-engagement/community-engagement/international-science-school-application-criteria-terms-conditions.pdf>

Summer in Oxford Program

International Summer In Oxford offers high school students between the ages of 14 to 19 an exclusive opportunity to catch a glimpse of studying at prestigious universities in the United Kingdom. Participants spend part of their summer in an academically renowned city, studying a subject of their choice, and attending workshops focusing on the university preparation and application process.

- Summer I: 7 July – 20 July 2019
- Summer II: 21 July – 3 August 2019
- Summer III: 4 August – 17 August 2019
- Summer IV: 18 August – 31 August 2019

To apply:

<https://summerinoxford.com/>

Open Universities Australia

Study a university degree online and at your own pace. When you choose **Open Universities Australia**, you get more than online study. You get to choose between some of Australia's leading universities such as RMIT, Macquarie, Swinburne and many more. You can pick a degree, work your way through the course when and where it suits you (that's the beauty of online education), and then **graduate with the same qualification as an on-campus student**.

Study in the USA - SAT Testing Dates and Advice

For a full listing of 2019 testing dates go to the link below. Internationally Educated provides this and further advice in this link.

In September 2018 **The ACT** will be moving from paper based testing to Computer Based Testing (CBT). At time of posting this article, the **ACT had not yet announced their testing partner locations nor testing dates for Sydney**. Further information and updates can be found on the [ACT registration page](#) as they become available.

Sydney students are stuck between a standardised test crunch with ACT not having ANY future testing dates announced and SAT testing venues and seats already at a premium since the reduction to four testing dates per year. Students interested in studying in the US should plan ahead and book in to [sit their SAT test](#) well before the registration deadline. We encourage students in year 11 to sit a standardised test by the end of their school year so not to distract from local academic demands in year 12.

<http://www.internationallyeducated.com.au/single-post/2018/09/07/The-SAT-and-ACT-Standardised-Tests---Updated-2018-19-SAT-Testing-Dates>

TAFE

Horticulture School Based Apprenticeship Available

28 February. 9.30am to 2.00pm

Andreassens Nursery 1543 Elizabeth Drive Kemps Creek

Do you love growing things? Do you like getting your hands dirty? Do you like being outdoors? Naturally! Then a school-based NSW Amenity Horticulture traineeship should be perfect for you. Come along on Wednesday, 28 November. Your questions will be answered. There will be hands-on workshops — nursery/plant production; green wall construction and irrigation; pathing construction; and a climbing arborist (that's more of a demonstration). AND ... lunch. BUT ... you MUST book, you can't just show up. Contact Suzanne.taylor22@det.nsw.edu.au

TAFE Degrees

Achieve your academic and career goals with TAFE NSW Higher Education degrees or articulation and credit transfer from diploma study into degree programs.

<https://www.tafensw.edu.au/search?q=degrees>

New Year, New Career or New Hobby? Short Course - TAFE

Whether you want to refresh your skills, learn new ones or start a new hobby, a short course with TAFE NSW is a rewarding and enjoyable way to help you get the skills you need. With online or face-to-face study options available, you can study your way and finish in just a few days, weeks or months with in-demand skills

<https://www.tafensw.edu.au/short-courses>

HSC & Tertiary Preparation Certificate at TAFE

Perhaps you want to do the HSC again to achieve a higher entrance score for entry into a degree course? The Certificate IV in Tertiary Preparation is a Year 12 equivalent qualification emphasising skill-based learning as well as discipline-specific content. The Certificate IV in Tertiary Preparation is available to study full-time, part-time or through flexible learning options.

<https://www.tafensw.edu.au/course/-/c/c/10224NAT-01/Certificate-IV-in-Tertiary-Preparation>

Study online with TAFE

Select your TAFE course to study at your own pace in your own home. In your own time, in your own space, at your own pace, be whatever you want to be with TAFE Digital. TAFE Digital is an educational innovator, breaking new ground in online learning to provide you with the knowledge and skills for the job you want.

<https://www.tafensw.edu.au/digital>

Build a Career with REECE School-based Apprenticeship Program(ASbA) – Retail or Warehousing

The Australian Indigenous Education Foundation

AIEF provides scholarships that enable Indigenous students to attend leading Australian schools and universities, as well as mentoring and career support to ensure students make a successful transition from school to further studies or employment, productive careers and fulfilling lives

View the scholarship and educational benefits for indigenous students at:

<http://www.aief.com.au/about/>

Big Science Competition

20 May

Enjoy solving scientific problems. It's a 50 minute, multiple choice competition testing critical thinking and problem solving skills, not just factual recall, so you can find out what's really going on inside their heads. Questions are set in real-life, contemporary contexts, making them relatable (and interesting). [Take a look at some sample questions.](#) The Big Science Competition is an easy way to challenge students from years 7 to 10 and track their performance against state or national averages.

<https://www.asi.edu.au/programs/big-science-competition/>

CSIRO Work Experience

We are committed to giving students first-hand experience with working in a scientific or engineering environment; be it one of our many areas of science and research, or as part of our support services team.

Our work experience program aims to give year 10, 11 and 12 students all around Australia the opportunity to:

- gain insight and experience into our everyday work, which involves solving the big questions facing our country and planet
- find out the types of jobs that are available in the science industry

Contact: CSIRO Work Experience Team workexperience@csiro.au

<https://www.csiro.au/en/Careers/Work-experience>

Country Education Foundation Scholarship Support

A scholarship can help you get on your way to achieving your further study dreams by covering the costs of textbooks, course fees, equipment, accommodation and living costs. Search for your opportunities here:

<https://cef.org.au/student-support/search-for-scholarships/>

Future Teachers Scholarship Opportunities

Closes 26 April

The NSW Teachers Federation Future Teacher Scholarships Committee will award 15 scholarships worth \$4,000 each to successful applicants across the following five (5) categories:

- Future teachers (Open to all applicants);
- Future teachers who identify as Aboriginal and/or Torres Strait Islander;
- Future teachers from a rural or remote area (significant distance from the nearest tertiary institution);
- Future teachers in their first year of a teacher education program; and
- Future teachers from a Language Background Other Than English (LBOTE).

Kickstart HSC Science Workshops

12, 13 March

Dubbo College Senior Campus

15-16 May

Coffs Harbour Senior College

Parts of the biology, chemistry and physics syllabus require equipment or expertise in areas that many schools may not be able to provide. Kickstart workshops give HSC students a chance to do experiments and demonstrations of key syllabus points that are difficult to do in the classroom. E: science.kickstart@sydney.edu.au

Visit: <https://sydney.edu.au/science/industry-and-community/community-engagement/kickstart-science.html>

ENID - Program for Girls

ENID is an online and in real life community of girls. We showcase real life career stories.

We feature stories, insights and experiences that are intelligent, informative and relatable.

We are dedicated to empowering girls to pursue the career and the future they desire.

We empower women by showcasing the diverse array of career, educational and life opportunities that are available beyond school, particularly those in which females are underrepresented.

We believe this happens when girls are equipped with the knowledge, mindsets and confidence to make informed decisions about their future

<https://enidnetwork.com/what-is-enid/>

Where to Study Surveying

Whether it's University or TAFE find all your options on one page here:

<https://www.alifewithoutlimits.com.au/study/where-to-study-nsw/>

Strong Demand for Surveyors

Higher graduate salary and excellent job prospects are just two reasons surveying is a career path secondary students should take note of. According to The Good Education Group, which publishes The Good Careers Guide, surveying has the fourth highest average starting salary at \$60,049 compared with the national average of \$52,840. Graduate surveyors are also among the most likely to be employed straight out of university, with the third highest employment rate at 78%.

<https://www.alifewithoutlimits.com.au/increased-demand-for-surveyors/>

Industries, Tours and Information Sessions - NSW Agrifood ITAB

The NSW Agrifood ITAB (Industry Training advisory Board) covers a variety of Agricultural industries such as racing and the fishing industry. They have offered events like a tour of the racing industry at Randwick Racecourse or a tour of the Sydney Fish Market. The industries they represent are not just Sydney based. Why not contact Melissa on 0421830056 or melissa@nswagrifooditab.com.au to see if you could arrange an industry tour either for your school or as part of a Network event for members.

Hunter & Central Coast Roadshow

7 March

There's a **free workshop** for careers advisers, VET teachers and educators. Hear about career opportunities in different industries, the availability of school-based apprenticeships and other school-based VET courses as well as the latest developments in the National Training Packages and the new Regional Education Industry Partnerships program.
