

# JobJump Careers News Subject Bulletin

**20 March 2019**

**IMPORTANT MESSAGE TO HEAD TEACHERS and ALL STAFF  
and to Parents,**

**It may only take one piece of news to lead a student towards success in their life's career.**

**If you know students enjoy your subject, this is a great way to assist them, so please encourage them to take part in those events mentioned below in your Subject Area. Find below a listing of special careers news that have also been emailed out to many of our students and their parents.**

---

## **HSC SUBJECT KLA / FACULTIES**

### **CAPA**

**Dance, Drama, Music, Visual Arts**

#### **Careers in the Graphic Design Industry**

The graphic design and sign manufacturing industry, also includes the router, engraving, laser and fabrication industries, and is without a doubt one of the largest manufacturing sectors in Australia. The industry has over 7,600 businesses. The value of production is worth many billions of dollars. In an industry this big there are many great career opportunities available almost anywhere in Australia.

<http://www.signcareers.com.au>

#### **AIE Animation Industry Experience Days**

17th April

12th July

2nd October

AIE's Industry Experience Days are a great opportunity for students in Years 10, 11 and 12 to learn about the local and international game development, 3D animation and visual effects industries. Students will get the opportunity to learn about the different pathways to get into the industry, what should be in a portfolio and will be able to get creative in practical workshops using industry-standard 3D animation and game development tools. Call 02 8514 880. Register at:

<http://www.aie.edu.au/ied>

#### **AFTT High School Film and Acting Workshops**

Come along to AFTT's introductory workshops and find out what a career in either the film or acting industry would be like! These hands-on workshops are a great way to visit our campus and experience what being a student at AFTT is like while we showcase the arts of acting and film. Find out more at:

<https://www.aftt.edu.au/events/highschoolworkshops>

### **Bond - Digital Media Experience Day**

2 April. 9:00 am – 2:30 pm

Do you love getting creative with technology, graphics or ideas but not sure which career path is right for you? Whether it's app design, gaming or multimedia design this Experience Day will allow you to explore your options! This event is complimentary for Year 10, 11 and 12 students and one parent.

<https://www.eventbrite.com.au/e/digital-media-experience-day-tickets-56001330487>

### **MATHS and SCIENCE**

Senior Science, Biology, Chemistry, Earth and Environmental Science, Physics

#### **Scholarships for Medicine**

Plan ahead and research these great options.

[Bonded Medical Places Scheme](#)

[Rural Australia Medical Undergraduate Scholarship \(RAMUS\)](#)

[John Flynn Placement Program](#)

[Medshop Australia Student Scholarship Program](#)

[Medical Insurance Group Australia – elective grants program](#)

[Remote Vocational Training Scheme \(RVTS\)](#)

[Support for Rural Specialists in Australia Funding](#)

[General Practice Rural Incentives Program](#)

[Australian College of Rural and Remote Medicine \(awards and prizes\)](#)

[Cowra Country Women's Association Medical Education Grant](#)

[Rural Resident Medical Cadetship](#)

[Bush Bursary/CWA Scholarship](#)

[HETI GP in Psychiatric Medicine Scholarships](#)

#### **Experience It! at UoW - Engineering Immersion for Female Students Years 7-10**

5 July

Engineering is simply the practical application of Maths and Science. Engineers imagine, create & continuously improve on ways that make the world a safer, better place to live. Come to: Experience It at Uni of Wollongong. Bursaries available for travel & accommodation for students more than 120kms away.

<https://portal.engineersaustralia.org.au/event/2019/03/experience-it-student-conference-2019>

#### **Space – Power House Museum**

On now

Find out all the answers in the Space exhibition, including the Zero Gravity Space Lab where you can experience the illusion of weightlessness. The Space Lab is the highlight of the 'Living and working in space' section where Australian astronaut Dr Andy Thomas and his wife and fellow astronaut Dr Shannon Walker guide you through a visit to the International Space Station (ISS).

<https://maas.museum/event/space/>

#### **Applications Open: Year 10 Work Experience (Chemical Engineering) at Sydney**

Applications will close on Monday 1 April at 9am, outcomes announced 5 April.

6–10 May

2-6 September

The Faculty of Engineering and IT offers work experience placements for Year 10 students interested in chemical engineering. Students are teamed up with an academic or PhD student to work on a week-long project. Please visit:

<https://bit.ly/2Spsd2A>

#### **University of Notre Dame – A Day in the Life of a Nursing Student**

10 July. 10am to 2pm

'Day in the Life of a Nursing Student' will provide you with a unique opportunity to experience what it is like to study nursing at the Number 1 University for Overall Quality of Educational Experience in Australia.

<https://www.notredame.edu.au/events-items/aditl-nursing-student>

## **University of Sydney - Designing Medical Technologies of the Future**

### **Bioengineering Innovation Outreach Challenge 2019**

Sign up your team by 1 April.

Models and prototypes presented on 15 April

We are looking to collaborate with high school students to innovate. Research mentors will support teams of four students from Year 10 -12 to identify a current shortcoming of medical technologies and apply the skills of bio engineering to design a solution. Full details here:

<https://arctcibe.org/bio2019/>

### **Bond University Medical Program**

Medical Program is comprised of two sequential degrees:

- Bachelor of Medical Studies (BMedSt)

- Doctor of Medicine (MD)

The Medical Program is designed to equip graduates with the foundational knowledge, skills and attributes required to safely and effectively practise medicine in today's complex healthcare environment. With small class sizes, students learn in a highly personalised environment with state-of-the-art equipment.

<https://bond.edu.au/program/medical-program>

### **ANU - Girls in Engineering and Technology Program (GET Set)**

25 June. 9am to 4pm

The Girls in Engineering and Technology Program (GET Set) is designed for female students in years 7-10, who wish to explore an education and career in engineering or technology. This free, fun-filled day of non-competitive activities includes design, test and build tasks, lectures, demonstrations and more. Years 9 to 12 girls talk to current students, women in industry and workshops.

<https://cecs.anu.edu.au/events/girls-engineering-and-technology-program-get-set>

### **H.S.I.E.**

Aboriginal Studies, Ancient History, Business Studies, Economics, Geography, Legal Studies, Modern History , Society and Culture, Studies of Religion

### **Bond – Criminology Experience Day**

3 April

This event is complimentary for Year 10, 11 and 12 students and one parent.

What is it that makes a good person turn to crime? Find out what goes on inside a criminal mind and gain an insight into human society and criminal justice by taking part in our Criminology Experience Day!

<https://bond.edu.au/event/60202/criminology-experience-day>

<https://www.angliss.edu.au/>

## **VET COURSES**

### **School-Based Apprentices Can Apply for a Bert Evans Apprentice Scholarship**

Nominations opening soon

The Scholarships are worth \$5,000 each year for up to three years.

Scholarships are open across both metropolitan and country areas, including school based apprentices.

The Bert Evans Apprentice Scholarships assist apprentices in NSW who have demonstrated:

- hardship in their personal circumstances
- aptitude for vocational education and training to lead to successful completion of their trade training
- a positive attitude and application in the workplace and in off the job training

[www.training.nsw.gov.au/bert\\_evans\\_scholarships](http://www.training.nsw.gov.au/bert_evans_scholarships)

### **Q&A School Based Apprenticeships and Traineeships**

School based apprenticeships and traineeships allow senior high school students to commence an apprenticeship or complete a traineeship while at school. School based apprentices work part-time and undertake the first stage of their apprenticeship training before the end of the HSC year. School based trainees work part-time and complete their traineeship by the end of their HSC year.

## All the Methods to Apply to the Australian Federal Police Force

Depending on your career choice, there are several ways to join the AFP:

- [Apply to join as an entry level sworn recruit](#)
- [Apply to join as a Lateral Police recruit](#)
- [Apply for a professional \(non-policing\) role](#)

Whether in a non-policing support role, investigating transnational crime, people smuggling, investigating crimes against the ACT community and patrolling its city and suburban streets, providing high visibility protection to commonwealth infrastructure sites and establishments, or heading overseas to liaison posts or capacity building missions, you'll be on the frontline, contributing to keeping the Australian community safe.

Before you apply for a position, check that you meet the AFP's [minimum requirements](#).
