University of Canberra Alternative Entry

UC offers a number of entry initiatives that give applicants the opportunity to gain entry via alternative schemes.

Adjustment factors are available to a range of eligible undergraduate students and are points that are added to your Australian Tertiary Admission Rank (ATAR) or entry rank to give you an adjusted entry score. UC offers three types of adjustment factors: Subject adjustments, Educational Access Scheme (EAS) and University Priority Groups.

The Schools Recommendation Scheme (SRS) is available to current Year 12 students and provides an opportunity to secure an offer to a UC undergraduate course if recommended by their school.

Special consideration is available to all applicants to UC who have experienced circumstances that have impacted or disadvantaged their previous study who do not meet the criteria to receive bonus points.

Portfolio entry is offered by the Faculty of Arts and Design (FAD) for all applicants seeking entry to an undergraduate FAD course.

Farm of the Future - Royal Easter Show

12 to 23 April. 9.30am – 6.30pm

Today's farmers need to know how to blend cutting edge technology with the best of nature, and that's where the Farm of the Future can help. The integration of technology with people and ecosystems is laid bare for all to discover. See how birds and bats benefit farmers with pollination, seed dispersal and pest control. Get your hands muddy digging around and conducting soil tests. Feel live cotton and learn about water through the ages - we simply can't live without it. Microscopes and magnifying glasses will help you look a little closer, whilst drones, sensors and satellites will help you see further afield. It's a hands-on look at farming for today and the next generation.
