Your free guide to make it into Pharmacy

We asked [two community pharmacists what they love about their job](#). For Dr Kenny Lee, it was the variety of being a pharmacist, academic and volunteer. For Toni Riley, it was being involved in the RUM (Return Unwanted Medicines) Initiative which has been the catalyst for the environmentally friendly disposal of over 8,000,000kg of medicines. Pharmacists can literally save a life by ensuring that the combination of medications a patient is taking will not cause harm or even death.

VET COURSES

TAFE to University Pathways

You may be surprised to hear that there are lots of possible study routes that can take you from a TAFE NSW course to a university degree. TAFE has partnerships with universities across the state and beyond. This means that you can get yourself a graduate qualification from your local TAFE campus.

Case in point - the Certificate IV in Tertiary Preparation (TPC). This will give you a Tertiary Entrance Score which can then help you enrol at university. If you've got a TPC under your belt, you're guaranteed entry to a whole range of degrees from some universities such as Western Sydney and Charles Sturt.
