## **UCAT Summary and Preparation**

<https://www.ucat.edu.au/ucat-anz/>

## **UCAT 2019 Preparation Plan**

<https://www.ucat.edu.au/media/1306/ucat-anz-2019-preparation-plan.pdf>

## **UCAT Practice Tests and Resources**

You should prepare for the test using these free official practice materials which have been developed by the UCAT Consortium to support test preparation.

We recommend you start by looking at our [UCAT 2019 Preparation Plan](#) which provides a suggested approach and timetable for preparing for your test.

<https://www.ucat.edu.au/ucat-anz/practice-tests/>

## **UCAT Test Day**

Please ensure you read the information on [Photographic ID](#) before attending your test.

You must arrive at the test centre **at least 30 minutes** before your appointment time to complete the check-in process.

Candidates who arrive more than 15 minutes after their appointment time will not be allowed to take the test and will forfeit their test fee. This applies in cases of family emergency, accident, arrest, transport problems and security alert as well as forgetfulness and lateness.

<https://www.ucat.edu.au/ucat-anz/test-day/>

## **UCAT Test Format**

The UCAT is a two-hour computer-based test which assesses a range of abilities identified by universities as important to practicing in the fields of medicine / dentistry / clinical sciences. The test consists of five separately timed subtests which each contain a number of questions in a multiple-choice format. Once started the test cannot be paused for a break but before each subtest there is a timed instruction section.

Candidates either sit the standard test or apply for an [extended version of the test](#) if they are entitled to extra time due to a documented medical condition or disability.

<https://www.ucat.edu.au/ucat-anz/test-format/>

## **Macquarie University - Entry Navigator**

Everyone comes to university on an ATAR. Right? No, not with [Macquarie Entry](#). ATAR is just one of the factors we use to determine your suitability for study. It's true that your ATAR rank can be a useful factor of your chances for success in a specific course. But it's equally true that there are other factors we can use to assess your suitability.

That's why we have 11 different admission pathways to Macquarie; ten of these assess your suitability on more than a selection ranking based on your raw ATAR or on your ATAR plus adjustment factors providing additional points.

<https://www.mq.edu.au/study/macquarie-entry-navigator>

## **Macquarie University's Aboriginal and Torres Strait Islander Entry Pathway (ASTIEP)**

Applications are now open

This entry pathway is a 2 step process; an online application followed by an interview on our North Ryde Campus. Students should apply to receive an early offer and peace of mind if they don't think they are going to get the ATAR they need or aren't intending to receive an ATAR. Interviews are every second week from now until February 2020, and each applicant will know their result within 2 weeks of their interview. At the casual interview, applicants will get to meet the Walanga Muru staff and students and learn about our scholarships, accommodation options, engagement services and much more. Call Tayla on (02) 9850 8624.

### National Computer Science School – Plan Ahead

Applications open in September

Friday 3 January to Sunday 12 January 2020

NCSS applications will be accepted from students who will **complete Year 11 in 2019**, and from exceptionally gifted Year 10 students. Selection of students will be based on academic performance, particularly in the subjects of mathematics and science, and demonstrated interest in computing. Personal qualities, such as community service, and social and teamwork skills will also be taken into consideration.

No prior knowledge of computing is assumed. Students who are not taking computing units of study at school are eligible to apply. Rest assured that students who enter the program as proficient programmers will also find plenty of material to extend their skills.

If you have any questions, please contact [summerschool@ncss.edu.au](mailto:summerschool@ncss.edu.au).

### **Allied Health Careers Research for Aboriginal Students**

An Aboriginal-led research team at UTS, funded by the NSW Government, is examining ways to increase the number of Aboriginal people studying and working in allied health. The researchers want to interview Careers Advisers and others who influence students' choices for 20-30 min. If you're interested please contact Mark Ragg on 0404 017 507 or [mark.ragg@uts.edu.au](mailto:mark.ragg@uts.edu.au)

### **Sydney Metropolitan and Regional Areas - Casual Role for Career Advisers**

We are looking for Careers Advisers who can do some-part time work (week nights or weekends) counselling volunteer teachers in NSW Community Languages Schools – generally women of migrant and refugee background, most with overseas qualifications. We will provide you with training and support; casual rates. For more information Ken Cruickshank and Camilla Couch, SICLE, The University of Sydney.
