## **Girls - Power of Engineering - CSU Bathurst Region**

6 September. 9:00am to 3:00pm

This one day event is for Year 9 & 10 female students in the Bathurst region, and is sponsored by Charles Sturt University. Register your interest for your school by emailing [info@powerofengineering.org](mailto:info@powerofengineering.org).

If you are interesting in volunteering for this event, you can sign up on our volunteer portal [here](#).

<https://timecounts.org/powerofengineering>

## **ACU - I did not get the ATAR / OP / rank**

It's OK if your final school result wasn't what you were hoping for. We've got your back. Use our list of alternative entry pathways to assess your options and create a plan.

<https://www.acu.edu.au/study-at-acu/admission-pathways/i-did-not-get-the-atar-op-rank>

## **ACU - I am an elite athlete or performer**

Reach for the top in everything you do. If you're a competitive athlete or performer, you can accelerate your success with the early entry Elite Athlete and Performer Program (EAPP).

<https://www.acu.edu.au/study-at-acu/admission-pathways/i-am-an-elite-athlete-or-performer>

## **ACU - I help my community**

We want to help you help others. If you're already getting out there and making positive change in your community, we invite you to apply for the early entry Community Achiever Program (CAP).

<https://www.acu.edu.au/study-at-acu/admission-pathways/i-volunteer-regularly>

## **ACU - I am an international applicant**

We offer a range of international pathways for applicants applying to study in Australia from overseas. Find out the best way for you to study your desired undergraduate course down under.

<https://www.acu.edu.au/study-at-acu/admission-pathways/choose-your-pathway-or-entry-program/international-pathways>

## **UNSW Women in Engineering**

### **Applications close Friday, 7 June**

8 and 9 July. 9am to 5pm

Science 50:50 and UNSW Women in Engineering are collaborating for an exciting one-day holiday program exploring careers in STEM! The holiday program is designed for female Year 10 students who have an interest in STEM.

When students are filling in the application form, please encourage them to select which day/s they are available to attend. Successful applicants will be allocated a space on only one of the days that they nominated.

Students will be notified of their application by Friday, 21 June.

Spaces are limited and completing the application process does not guarantee entry. No more than five applications will be accepted from one school, unless spaces are not filled.

If you have any questions please email Alyce Taylor via email [a.taylor@unsw.edu.au](mailto:a.taylor@unsw.edu.au)

[Click here to apply.](#)

## **UNSW Law & Arts and Social Sciences Degrees and Scholarships Info Evening**

11 June. 6:00 pm – 8:00pm

UNSW Roundhouse

This is a chance for you and your parents to come along and learn about the exciting degrees, career options and scholarships available to you. Our knowledgeable staff, industry graduates and current students will provide insight into the experience of studying with us as well as share information about high school subject selection, the admissions process and applying for scholarships or the Co-op Program.

<https://www.eventbrite.com.au/e/unsw-degrees-and-scholarships-info-evening-law-arts-and-social-sciences-registration-60798276281>

### **UNSW Science, Engineering & Medicine Degrees and Scholarships Info Evening**

13 June. 6:00 pm – 8:00 pm

UNSW Roundhouse

This is a chance for you and your parents to come along and learn about the exciting degrees, career options and scholarships available to you. Our knowledgeable staff, industry graduates and current students will provide insight into the experience of studying with us as well as share information about high school subject selection, the admissions process and applying for scholarships or the Co-op Program.

<https://www.eventbrite.com.au/e/unsw-degrees-and-scholarships-info-evening-science-engineering-medicine-registration-60800130828>

### **UNSW Business & Built Environment Degrees and Scholarships Info Evening**

20 June. 6:00 pm – 8:00pm

UNSW Roundhouse

This is a chance for you and your parents to come along and learn about the exciting degrees, career options and scholarships available to you. Our knowledgeable staff, industry graduates and current students will provide insight into the experience of studying with us as well as share information about high school subject selection, the admissions process and applying for scholarships or the Co-op Program.

<https://www.eventbrite.com.au/e/unsw-degrees-and-scholarships-info-evening-business-built-environment-registration-60800577163>

### **UNSW Art & Design Degrees and Scholarships Info Evening**

25 June. 6.00pm to 8.00pm

UNSW Art & Design, Cnr Oxford St and Greens Road, Paddington

This event will give students in Years 11-12, and their parents, an insight into life as a creative student and what it means to be a practising contemporary artist, designer, media creative or curator in today's international creative economy.

Our expert staff, industry graduates and current students will provide their insights into the experience of being a UNSW Art & Design student and share their advice for high school students including careers, the admissions process and portfolio entry options.

<https://www.eventbrite.com.au/e/unsw-art-design-degrees-info-evening-registration-61011875161>

### **How do you choose your HSC subjects for years 11 and 12? From University of Sydney**

Starting uni seems so far away - yet here you are choosing your HSC subjects so that you can achieve an ATAR and apply to do a degree at uni. So how do you make the right choices for you? And should you worry about subject scaling? The HSC is a long road - and it's the right balance of hard work, dedication and enthusiasm that will help you succeed. Apply to this to any HSC subject, and you will give yourself the best chance possible.

<https://sydney.edu.au/campus-life/student-news/2018/03/06/dos-and-donts-of-hsc-subject-selection.html>

### **Mathematics Prerequisites Course Listing – University of Sydney**

A listing of courses with mathematics requirements is listed lower down on this page's link. To apply for some courses, students are required to complete mathematics through their high school studies. The University has introduced mathematics course prerequisites for some courses from 2019 to help students thrive in their science, technology, engineering and mathematics related degrees and prepare them to tackle future career challenges.

<https://sydney.edu.au/study/how-to-apply/undergraduate/mathematics-prerequisite.html>

### **James Cook University Virtual Open Day**

17 September

Explore JCU's campuses, facilities and courses from the comfort of your own home.

Our Virtual Open Day is a customised virtual event, where you can:

- Access and download course information
- Visit virtual booths
- Attend presentations
- Network with current students
- Live chat with academic staff

- Explore our virtual campus

<https://www.jcu.edu.au/events/2019/september/jcu-virtual-open-day>

See undergraduate choices here:

<https://www.jcu.edu.au/courses-and-study/course-level/undergraduate-your-first-degree>

### **The University of Melbourne Interstate Students Information Day**

12 July. 8.30am to 6.00pm

[Kathleen Fitzpatrick Theatre](#), Parkville campus

**Careers Advisers Note: Registrations usually close within a few days as we reach capacity quickly, so we recommend distributing this to your interested students as soon as possible.**

The day will focus on aspects of the university that are of greater concern to interstate students such as the application process, scholarships, student services, accommodation options and financial assistance. Participants will have an opportunity to ask current University of Melbourne students who have come from interstate about their experience and how they managed the transition.

**REGISTER NOW**

### **Youth Medical and Health Sciences Tour – Crimson Education**

Registrations open

Be inspired by knowledgeable medical experts, learn about ground-breaking research and be part of volunteer projects in Haiti.

- Explore the World's Top Medical Schools
- Meet with Global Industry Experts

Get behind the scenes at some of the world's most prestigious institutions to discover opportunities for your own future.

- Harvard Medical School
- Columbia Medical School
- NYU School of Medicine
- Johns Hopkins School of Medicine

<https://www.crimsoneducation.org/tours/youthmedical>

### **MedEntry UCAT Workshop**

29 June. 9 am to 4 pm for two days

UTS

The entry test for medicine, UCAT (University Clinical Assessment Test) is a computer-based test and comprises five sections: verbal reasoning, decision making, quantitative reasoning, abstract reasoning and situational judgement.

The two day MedEntry workshop will detail the strategies to ace UCAT. Taught by specialist doctors & academics.

Contact : Edward Boyapati : [ed.boyapati@gmail.com](mailto:ed.boyapati@gmail.com)

## **TAFE**

### **Secure the future with a TAFE NSW Bachelor of IT Degree (Network Security)**

With unprecedented demand for professionals who can secure and monitor IT systems and protect the privacy of people and organisations, this degree prepares your students to work in a fast-growing and dynamic field. More info

<https://www.tafensw.edu.au/degrees/bachelor-of-information-technology-network-security>

### **NSW Fashion Design Studio**

With a list of alumni that reads like a 'who's who' of Australian fashion, the TAFE NSW Fashion Design Studio (FDS) in Ultimo is a "fashion school of excellence<sup>†</sup>." Consistently ranked in the top 20 fashion design schools worldwide\*, FDS has over 60 years of creating fashion design excellence.

FDS also has established partnerships with International Design Institutes in India, United Kingdom, The Netherlands, Hong Kong, Sweden and the United States that allow final year students the opportunity to complete a fourth year overseas and gain an international degree. Do design, couture, tailoring, patternmaking and construction, styling or media – FDS gives you the skills, experience and exposure you need to be a cut above.

### **Junior Leadership Weekend Registrations for 2019**

Registrations [open](#)

Saturday, 7 September 2019 – Sunday, 8 September 2019

Sydney Academy of Sports and Recreation, Narrabeen

Are you in Years 7 – 8 and passionate about making change in your community? Come to Junior Leadership Weekend 2019. On 7-8 September 2019, more than 100 students from across NSW will come together to take part in Junior Leadership Weekend. You will learn about leadership, diplomacy and advocacy in the context of gender equality and inclusivity. You will form connections and friendships with a diverse array of students and work with them to deliver change in your local communities, and beyond.

<https://unyouth.org.au/event/jlw/>

### **Evatt NSW - Australia's Premier Debating and Diplomacy Competition**

**Registrations are now open for Evatt NSW 2019. Click [here](#) to register now.**

Evatt is a Model United Nations Security Council diplomacy competition for students in Years 9-12. It aims to educate young people about Australia's place in the world and empower them as active citizens by developing public speaking, negotiation, teamwork, research, and diplomatic skills. More than 2,000 students compete in Evatt. The competition takes the form of a mock session of the **UN Security Council**. Teams of two students debate, amend, and vote on a prepared resolution from the perspective of their assigned nation. The students judged the **most effective diplomats** proceed to the next round.

The competition is named after the notable Herbert "Doc" Evatt, who was an Australian High Court Justice and a leading Federal politician who became President of the UN General Assembly and helped draft the Universal Declaration of Human Rights.

<https://unyouth.org.au/event/evatt-nsw/>

### **Student Exchange Australia & New Zealand Information Sessions**

25 July. 7pm

22 August. 7pm

- Listen to former exchange students talk about their experiences

<https://studentexchange.org.au/info-sessions/in-person-city-sessions/>

### **Your free guide to a career in exercise physiology and exercise science**

The difference between an exercise physiologist / sports scientist / exercise scientist. According to Exercise & Sports Science Australia (ESSA), there is a distinct difference between these three professions.

<https://www.myhealthcareer.com.au/exercise-career/>

### **An opportunity for maths, geography and IT students looking for work experience**

The NSW Surveying Taskforce helps facilitate work experience opportunities between professional surveyors and students with a love of STEM subjects. The surveying profession is the middle of a skills shortage. As such, industry members are passionate about introducing this important area to young people. To register, students should visit

<https://www.alifewithoutlimits.com.au/secondary-students/>

### **The Neuroscience of Imagination and Creativity**

7 August. 12.30pm to 1.30pm

The Studio, Level 6, Sydney Startup Hub, 11 - 17 York Street, Sydney

Join us as part of the Sydney Science Festival 2019, as The Studio hosts Professor David Alais, from the School of Psychology at the University of Sydney.

Getting the most out of your brain's extraordinary powers requires understanding its cognitive cycle. Usually trained to be focused and narrow, the brain can be divergent and creative if given the chance. Recent neuroscience findings have revealed new insights about the brain's creative network and useful hacks for developing it.

[Information here:](#)

### **Physical Aptitude Test - FireFit Training Guide from NSW Fire and Rescue**

Firefighting is a physically demanding occupation. Tasks include carrying heavy loads including personal protective equipment, handling temperature extremes, variable terrains and confined spaces, all of which impose unique physical and physiological demands upon firefighters.

The FireFit Training Guide is based on an eight to 12-week program, depending on each individual's fitness level, and is available to help eligible candidates prepare for the [Fire and Rescue NSW Physical Aptitude Test \(PAT\)\\*](#).

<https://www.fire.nsw.gov.au/page.php?id=9098>

## Studying in the USA

Interest in studying in the US is becoming so popular the SAT testing centres in Sydney are reaching capacity well before the registration deadline. Given these test seat limitations, it is imperative for students plan ahead. To help with this, below we have included the SAT and ACT Standardised Test dates as well as 2019 SAT Subject Test dates. To learn more about SAT Subject Tests we invite you to read our article titled '[Optional standardised tests for admission purposes to US uni's - who should take them?](#)' We have also updated an article which [summarises the SAT and ACT](#) as well as an article which provides an overview of the [US admission process](#).

Read advice in full here:

<http://www.internationallyeducated.com.au/news>

## Studying in the USA - Standardised 2019 Test Dates and Information here:

<https://www.internationallyeducated.com.au/single-post/2019/02/27/2019-Standardised-Test-Dates>

## Taronga Zoo - Visit the Zoo While at Home – The brand new podcast from Taronga

Great episodes across most areas of the Zoo. Working at Taronga Zoo is more than just a job – for us Taronga means family. The deep connections that our staff developed with wildlife and the natural world affects the lives of others, near and far. From Sydney to Dubbo, Taronga's people all have amazing untold Zoo stories that will touch your heart and open your eyes. Hayden Turner invites you to listen in each week and join our family with 'Taronga Talks'.

<https://taronga.org.au/get-involved/taronga-talks>

## Luke Mangan's - The Inspired Series & Hospitality Careers Expo

25 June. 7:00pm to 8:30pm

Stanton Library - 234 Miller Street

WEP Australia : [info@wep.org.au](mailto:info@wep.org.au)

Imagine seeing New York, Paris or Rome, creating overseas connections and learning more about yourself and the world around you.

WEP Australia : [info@wep.org.au](mailto:info@wep.org.au)

### **Nothing goes faster than light... usually! 2019 Dirac Lecture with Lene Hau**

23 July. 6:00 pm – 8:00

John Niland Scientia Building UNSW Sydney, Tyree Room, Library Road, Kensington,

Join Professor Lene Vestergaard Hau (Harvard University) for the 2019 Dirac Lecture. The lecture will be hosted by Professor Sven Rogge (Head of School, UNSW School of Physics) and chaired by Professor Emma Johnston (Dean, UNSW Science). This year's lecture will explore how Lene and her team have slowed, stopped and restarted light. The observations represent the ultimate control over the inter-conversion of light and matter, and point to novel paradigms for quantum information processing.

<https://www.eventbrite.com.au/e/nothing-goes-faster-than-light-usually-2019-dirac-lecture-with-lene-hau-tickets-62032226058?aff=SINV>
