

JobJump Careers News Subject Bulletin

6 June 2019

IMPORTANT MESSAGE TO HEAD TEACHERS and ALL STAFF

and to Parents,

It may only take one piece of news to lead a student towards success in their life's career.

If you know students enjoy your subject, this is a great way to assist them, so please encourage them to take part in those events mentioned below in your Subject Area.

Find below a listing of special careers news that have also been emailed out to many of our students and their parents.

HSC SUBJECT KLA / FACULTIES

Junior Leadership Weekend Registrations for 2019

Registrations **open**

Saturday, 7 September 2019 – Sunday, 8 September 2019

Sydney Academy of Sports and Recreation, Narrabeen

Are you in Years 7 – 8 and passionate about making change in your community? Come to Junior Leadership Weekend 2019. On 7-8 September 2019, more than 100 students from across NSW will come together to take part in Junior Leadership Weekend. You will learn about leadership, diplomacy and advocacy in the context of gender equality and inclusivity. You will form connections and friendships with a diverse array of students and work with them to deliver change in your local communities, and beyond.

<https://unyouth.org.au/event/jlw/>

Evatt NSW - Australia's Premier Debating and Diplomacy Competition

Registrations are now open for Evatt NSW 2019. Click [here](#) to register now.

Evatt is a Model United Nations Security Council diplomacy competition for students in Years 9-12. It aims to educate young people about Australia's place in the world and empower them as active citizens by developing public speaking, negotiation, teamwork, research, and diplomatic skills. More than 2,000 students compete in Evatt. The competition takes the form of a mock session of the **UN Security Council**. Teams of two students debate, amend, and vote on a prepared resolution from the perspective of their assigned nation. The students judged the **most effective diplomats** proceed to the next round.

The competition is named after the notable Herbert "Doc" Evatt, who was an Australian High Court Justice and a leading Federal politician who became President of the UN General Assembly and helped draft the Universal Declaration of Human Rights.

Your free guide to a career in exercise physiology and exercise science

The difference between an exercise physiologist / sports scientist / exercise scientist. According to Exercise & Sports Science Australia (ESSA), there is a distinct difference between these three professions.

<https://www.myhealthcareer.com.au/exercise-career/>

Physical Aptitude Test - FireFit Training Guide from NSW Fire and Rescue

Firefighting is a physically demanding occupation. Tasks include carrying heavy loads including personal protective equipment, handling temperature extremes, variable terrains and confined spaces, all of which impose unique physical and physiological demands upon firefighters.

The FireFit Training Guide is based on an eight to 12-week program, depending on each individual's fitness level, and is available to help eligible candidates prepare for the Fire and Rescue NSW Physical Aptitude Test (PAT)*.

MATHS and SCIENCE

Senior Science, Biology, Chemistry, Earth and Environmental Science, Physics

UNSW Women in Engineering

Applications close Friday, 7 June

8 and 9 July. 9am to 5pm

Science 50:50 and UNSW Women in Engineering are collaborating for an exciting one-day holiday program exploring careers in STEM! The holiday program is designed for female Year 10 students who have an interest in STEM.

When students are filling in the application form, please encourage them to select which day/s they are available to attend. Successful applicants will be allocated a space on only one of the days that they nominated.

Students will be notified of their application by Friday, 21 June.

Spaces are limited and completing the application process does not guarantee entry. No more than five applications will be accepted from one school, unless spaces are not filled.

If you have any questions please email Alyce Taylor via email a.taylor@unsw.edu.au

[Click here to apply.](#)

Girls - Power of Engineering - CSU Bathurst Region

6 September. 9:00am to 3:00pm

This one day event is for Year 9 & 10 female students in the Bathurst region, and is sponsored by Charles Sturt University. Register your interest for your school by emailing info@powerofengineering.org.

If you are interesting in volunteering for this event, you can sign up on our volunteer portal [here](#).

The Neuroscience of Imagination and Creativity

7 August. 12.30pm to 1.30pm

The Studio, Level 6, Sydney Startup Hub, 11 - 17 York Street, Sydney

Join us as part of the Sydney Science Festival 2019, as The Studio hosts Professor David Alais, from the School of Psychology at the University of Sydney.

Getting the most out of your brain's extraordinary powers requires understanding its cognitive cycle. Usually trained to be focused and narrow, the brain can be divergent and creative if given the chance. Recent neuroscience findings have revealed new insights about the brain's creative network and useful hacks for developing it.

Nothing goes faster than light... usually! 2019 Dirac Lecture with Lene Hau

23 July. 6:00 pm – 8:00

John Niland Scientia Building UNSW Sydney, Tyree Room, Library Road, Kensington,

Join Professor Lene Vestergaard Hau (Harvard University) for the 2019 Dirac Lecture. The lecture will be hosted by Professor Sven Rogge (Head of School, UNSW School of Physics) and chaired by Professor Emma Johnston (Dean, UNSW Science). This year's lecture will explore how Lene and her team have slowed, stopped and restarted light. The observations represent the ultimate control over the inter-conversion of light and matter, and point to novel paradigms for quantum information processing.
