

JobJump Careers News Subject Bulletin

9 May 2019

IMPORTANT MESSAGE TO HEAD TEACHERS and ALL STAFF

and to Parents,

It may only take one piece of news to lead a student towards success in their life's career.

If you know students enjoy your subject, this is a great way to assist them, so please encourage them to take part in those events mentioned below in your Subject Area. Find below a listing of special careers news that have also been emailed out to many of our students and their parents.

HSC SUBJECT KLA / FACULTIES

CAPA

Dance, Drama, Music, Visual Arts

International School of Colour and Design - Styling 101

18 May . 10am to 3pm

Level 3, 118 Walker Street, North Sydney

Do you often wonder how interior stylists have that amazing ability to arrange everything in a room so effortlessly and successfully? Do you want to learn how to set-up a simple display so that it looks like it is right out of the pages of a magazine?

Bring out the expert stylist in you with this essential workshop focused on planning your living room and interior styling solutions.

<https://www.iscd.edu.au/workshops/styling-101/>

Create Your Career – UNSW Co-op – Engineering, IT and Business

29 May. 6pm to 8.30pm

UNSW Randwick Campus, Colombo Theatres

To help you start to shape your career and the study pathway to get you there, the UNSW Co-op Program has assembled a lineup of Industry Leaders in key sectors at our Create Your Career sessions.

Each session will include:

- An introduction to the breadth of career opportunities available in the sector
- Insights from industry leaders and professionals
- Highlights from current Co-op scholars studying and working in the sector
- Q&A panel of all speakers

<https://www.events.unsw.edu.au/event/unsw-create-your-career-evening>

University of Sydney - Project Management Winter Camp

July 2019. Watch this space.

Years 10–12. This two-day intensive workshop offers an introduction to project management and where this dynamic field can take you. Hear about project management degrees, careers and pathways and try your hand at working on authentic case studies. The camp includes a site visit to a large project management organisation to learn about projects in action. Places are limited.

<https://sydney.edu.au/engineering/study-engineering-and-it/why-study-here/high-school-students/years-9-and-10.html>

UTS -Faculty of Engineering and IT research showcase 2019

12 June 9:30 am - 4:30 pm

City – Broadway, CB11 Faculty of Engineering and IT Building, Building 11

A unique opportunity to engage with current Higher Degree Research students in the Faculty of Engineering and IT. It highlights some of the best work from each of our six Schools, with tales of high impact research and external engagement. A closing award ceremony will recognise the most innovative research projects.

<https://www.uts.edu.au/about/faculty-engineering-and-information-technology/events/faculty-engineering-and-it-research-0>

Girls Talk Engineering – University of Newcastle

28 May. 5.30pm to 7.30pm

Engineers Australia Newcastle

Female engineers work on an endless array of projects - NASA space suits, cutting edge electronics, structures, aeroplanes, machinery, space and literally anything you can think of.

Come to our 'Girls Talk' evening where you'll hear from female engineers from various engineering disciplines including some you may never have even hear of! They'll share information on projects they've worked on, what their day to day engineering life entails, where their career has taken them and what inspired them to choose engineering as a profession.

<https://portal.engineersaustralia.org.au/event/2019/03/girls-talk-engineering-newcastle>

Robotics Enthusiasts - First Australia – Lego League

26, 27, 28 July 2019

Macquarie University

This event, like all *FIRST* events, is free and open to the public. There will be seating for spectators to view matches. This is a great opportunity to see some really cool robots built by inspirational high schoolers!

<http://firstaustralia.org/ddu/>

What is forensic science really like?

What's it really like to have that dream job you've been eyeing off? We've found out for you and are busting myths about some hard-to-pin-down careers in STEM. Professor Shari Forbes dishes the decomposing dirt on forensic science, and it's nothing like CSI.

<https://careerswithstem.com/mythbusting-jobs-forensic-scientist/>

What Does a Marine Biologist Look Like?

Inspire your students to pursue marine biology at UTS Science, with this great short video of UTS graduate Justin Tierney. Justin currently works at Port Stephens Fisheries Institute as a Fisheries Technician. He says participating in field trips to Heron Island and Stroud in his degree helped to reinforce the theoretical knowledge he learnt in class.

How to Become a Teacher Step by Step

HSC students, this is your step-by-step guide to becoming a teacher in a NSW public school

<https://www.teach.nsw.edu.au/becomeateacher/hsc-students>

Great Video on being a Youth Worker

Youth work is a career that involves working for and with young people in a variety of ways. The key thing that differentiates a youth worker from other community service workers is that young people are their primary focus. It's about ensuring young people feel supported in developing the skills they need to make positive changes in their lives.
